

Secret 2

Life in the Ninja City

忍の精神 町地を基に伝わる文化の精神

The spirit of shinobi,
which was nurtured through the history of Iga,
has been handed down to the present by the Iga people.
In Secret 2, the life of the Iga people,
where the spirit of shinobi is still alive, is unraveled.

IGABITO Development Project at prefectural high schools in Iga City

The city promotes efforts to vitalize local communities together with high school students in the city.

Let's find out about the Iga City Youth Conference.

The Iga City Youth Conference was launched as a conference where young people develop plans to make Iga better on their own.

The conference members participate in the meetings to make plans for events to be held in the city.

They also participate in meetings where the future of the city is discussed.

Nin-nin Exercise

This is the original exercise of Iga City where the action and spirit of the ninja have been incorporated.

Iga Orange Cafe

Through interactions and consultations at the cafe, the city helps reduce stress associated with dementia.

One Medicine Book Campaign

This campaign aims to streamline healthcare support by putting together medicine information into one medicine book.

Happy, Long Life in Iga

As a welfare advanced city

The city promotes urban development that offers every citizen a place to have a part in. The city designates places for exercise and interactions to ensure that citizens can lead a healthy life. It has also built the Iga City General Hospital to create an effective healthcare environment.

Hospital Facilities

The hospital continues efforts to introduce better facilities.

Iga City General Hospital

This is a core hospital that has supported the Iga region through its high-quality healthcare.
