

Aoyama Garbage Collection Schedule

2024 October to March 2025

Please refer to the Iga City Garbage Separation App or the attached sheet for how to sort and dispose of garbage.

Proper disposal of garbage

- [1] For general business waste produced by a shop, office or factory, commission an operator licensed to collect and handle the general waste in Iga City (Aoyama Branch Office) or bring it in yourself.
- [2] Separate garbage properly and put it out in the designated place, on the designated day, and at the designated time (before 8:30 am). *Unseparated garbage will not be collected.
- [3] Garbage cannot be brought in on public holidays or weekends (except 3rd Sun every month).

| | |
|------------------------------|---|
| Burnable trash | Put in an Iga Nambu Environmental Hygiene Association garbage bag designated for the Aoyama District of Iga City (blue semitransparent bag). *Since the designated garbage bags were changed on October 1, 2014, the former green bags cannot be used. |
| Non-burnable trash | Put in a semitransparent bag (45 L or smaller), not a transparent or black bag, and write "フ" on the bag with a marker pen. (There is a charge for bringing this waste to the waste facility yourself.) The former green bags cannot be used. |
| Plastic containers/packaging | Put in a semitransparent bag (45 L or smaller), not a transparent or black bag. The former green bags cannot be used. |
| Small electric appliances | Put in a semitransparent bag (45 L or smaller), not a transparent or black bag. The former green bags cannot be used. |

Aoyama District designated garbage bags Blue semitransparent

| Size (L) (Pack of 10) | Price |
